R lab - Significance tests

This lab assignment is required and counts towards your final grade. You can take it as many times as you like. To pass the course you need a score of at least 80%.

You're having trouble please ask your fellow learners for help on the Coursera forums. Of course we encourage you to visit the forums and help out others!

Passed 92%

This course uses a third-party tool, R lab - Significance tests, to enhance your learning experience. The tool will reference basic information like your name, email, and Coursera ID.

☐ I, Harshitha H, understand that submitting work that isn't my own may result in permanent failure of this course or deactivation of my Coursera account.

AFTERNOON SESSION DETAILS

Image of session

The screenshot shows the Trailhead interface for the 'Military-Friendly Workplaces' module. At the top, there's a navigation bar with 'TRAILHEAD' and links to Home, Learn, Credentials, Community, For Companies, and COVID-19. Below this is a blue header with a map icon and a green checkmark. The module title 'Military-Friendly Workplaces' is displayed, followed by the description 'Implement inclusive workplace policies for military veterans and reservists.' To the right, it says '+300 POINTS'. Below the title, there are icons for a heart, a plus sign, and a share icon. The main content area shows a list of three completed tasks, each with a green checkmark icon:

- Create an Inclusive Environment for Veterans (~10 mins)
- Learn Successful Onboarding and Retention Strategies (~10 mins)
- Learn About Reentry and Retention Programs for Reservists (~10 mins)

At the bottom right, it says 'Completed 7/27/20'.

REPORT:

- Creating an inclusive environment for veterans
- Successful onboarding and retention strategies
- Reentry and retention program for reservists
