## FORENOON SESSION DETAILS

### Image of session

The screenshot shows the Coursera interface for a quiz titled "Confidence intervals". The quiz is 20 minutes long. The user, Harshitha H, has completed the quiz and achieved a grade of 100%. The interface includes a sidebar with a list of topics: "Inference and confidence interval for mean", "Confidence interval for proportion and confidence levels", "Sample size and example", and "Review". The main content area shows the quiz title, a "Submit your assignment" button, and a "View Feedback" button. The grade is displayed as 100%.

The screenshot shows the Coursera interface for an R lab titled "R lab - Confidence intervals". The lab is required and counts towards the final grade. The user, Harshitha H, has passed the lab with a score of 100%. The interface includes a sidebar with a list of topics: "Inference and confidence interval for mean", "Confidence interval for proportion and confidence levels", "Sample size and example", and "Review". The main content area shows the lab title, a "Passed 100%" status, and a "Learn more about Coursera's Honor Code" link.

Report –

<b>Topic:</b> Slack development basics	<b>Semester &amp; Section:</b> IV SEM & A SECTION

### AFTERNOON SESSION DETAILS

#### Image of session

The screenshot shows the Salesforce Trailhead interface for the 'Slack Development Basics' module. At the top, there's a navigation bar with the Trailhead logo and links to Home, Learn, Credentials, Community, For Companies, and COVID-19. Below this, a teal banner features a globe icon with a green checkmark. The module title 'Slack Development Basics' is prominently displayed, followed by a subtitle 'Learn about Slack integrations and how to build productivity-enhancing apps.' and a '+300 POINTS' badge. A row of icons (heart, plus, share) is visible. The main content area lists three tasks, each with a green checkmark indicating completion: 'Get Started with Slack Apps' (~10 mins), 'Customize Slack Messages' (~10 mins), and 'Get to Know the Slack APIs' (~10 mins). A 'Completed 7/27/20' status is shown on the right.

#### REPORT:

- **Slack apps**
- **Customize slack messages**
- **Slack APIs**
